Declaration

This is to certify that due to the ongoing pandemic the normal academic activities were disrupted due to which the online method of teaching and evaluation was adopted. Evaluating the circumstances during that time the field trip for Environmental Studies was not conducted. A substitute for this field trip, the students were asked to prepare home assignment related on topic given on environmental issues. They were asked to write on the topic based on their own investigation.

Date: 26th February ,2021

Sub : Permission for Field visit to Rani Khamar

Respected Sir,

With due respect I would like to inform you that the a group of students from the respective departments along with the teachers of History Department, English Department and Political Science are going to visit Rani Khamar for a field study " Tradition, Culture and environmental History of with special reference to Rani Khamar" on 27th February 2021.

I on behalf of all the afore said departments, request you to kindly to allow necessary permission for the same.

Yours faithfully

Dr Mamoni Sarma

Q. Write a field report on the basis of your recent visit to Ranikhamar. How can you develop these spot into a tourist hotspot without affecting environment?

Ranikhamar, is a nice location. The Ranikhamar the Resort is only 70km from Diphu. The Resort is in Baregaon - Ranikhamar Road, Assam 781120. A nice place to enjoy with family and friends with an astonishing view. We can enjoy a very nice breakfast snacks & lunch. We have to make booking earlier otherwise we won't be allowed to enter. There is also a waterfall nearby which we can visit.

There is ~~at~~ boating available. The staffs of the Retreat Resorts are very friendly and the food is very delicious.

Once we reach the place, the people there will make us forget about internet niceness & answer us the best experience in the resort.
