Two-Day Workshop on MOOCs
Lalit Chandra Bharali College

ABOUT THE COLLEGE

Lalit Chandra Bharali College was founded on 9th of August 1971, and affiliated to Gauhati University, is a premier institution of higher education, located at Guwahati. The college offers higher education in Arts, Science and Commerce streams.

Although the college was originally established as a means for students from the marginalized communities who could not access city/ central colleges to avail quality education, it has now evolved to attract some of the best students from the entire North- East region for its non-traditional courses like Computer science, Electronics, BCA and BSc-IT at the undergraduate level.

ABOUT THE WORKSHOP

Massive Open Online Courses or MOOCs are online courses that allow participants free access and unrestricted participation to any course of their choice. Besides the conventional modes of teaching such as lectures, videos and reading materials, MOOCs also provide a platform for interactive forums.

Although started in 2008, MOOCs really took off in 2012 when Prof. S Thrun and Peter Norvig of Stanford University offered the online course called "Introduction to Artificial Intelligence".

Department of Higher Education under the Ministry of HRD, Government of India has encouraged faculties in higher education departments or institutes to undergo refresher courses on MOOCs as well.

: Workshop Date :
26th and 27th March, 2019

: Last date of Registration :
20th March, 2019

Dr. Diba Borooah **Dr. Adison Ali**
Coordinator IQAC Chairman, National Workshop
LCB College Principal, LCB College

Women's rights and the law
Women's rights against all forms of discrimination and attaining equality with their male counterparts are fundamental human rights. There is a long history of addressing this issue at various national and international fora. There are hosts of mechanisms and instruments developed against gender discrimination. In India, the principle of gender equality is enshrined in the Preamble of the Constitution and Directive Principles of State Policy which empowers the state to adopt measures of positive discriminations in favour of women. In India, there are several laws against discriminations of women at various levels. Women nevertheless suffer regular violations of their human rights throughout their lives. 'Achieving equality between women and men requires a comprehensive understanding of the ways in which women experience discrimination and are denied equality so as to develop appropriate strategies to eliminate such discrimination'.
This workshop aims at bringing together activists, members of social movements, politicians, writers, academicians and professionals to discuss the issues relating to discrimination against women and available protective legal framework.

About LCB College, Guwahati

LCB College was founded in 1971 as a night college by a group of teachers and operated from the premises of Maligaon Railway Higher Secondary School. At the initial stage it catered mostly to undergraduate working men and women. It was at the initiative of the neighborhood community and the generous donation made by the family of Lalit Chandra Bharali that facilitated the purchase of its own land in 1972 and it was only from the next year that the college functioned for the first time from its own premises and since then it is the Governing Body that constitutes the primary management system of the college.

The establishment of the college was driven by a holistic approach towards higher education to the marginal student community who could not access the central/city colleges for various reasons. It was also an educational outreach for the students who lived beyond the city limits and the entire Northeast. However since the last two decades the college has notched up its credibility as it attracts some of the best students from the entire northeast region for its non-traditional subjects at the UG level.

Another USP of the college is the natural ambience that prevails in the campus. It is nestled in the foothills of the beautiful Nilachal (abode of the Goddess Kamakhya) and Aidingiri Hills providing an idyllic environment for teaching and learning.

How To Reach LCB College, Guwahati

Accessible by public transports i.e., City Bus, Tata Magic & CAB services like Ola, Uber etc. (Approx. 3 km from Jalukbari Chariali and 5 km approx. from Guwahati Rly Station).
