and feel myself lucky to attend this awesome webinar..The webinar resulted Much fruitful and productive for

whole system in a very systematic and organised way. Very useful information with detailed examples have I

Excellent presentation respected Rajib Sir. This session benefited me a lot. Thank you so much everyone. I hope

to organize such kind of webinar....Thanks to organizing committee.

very insightful and informative lecture. We expect more such webinars from the organizer.

Organizing such a wonderful Webinar. This type of Webinar should be organized in the future for our benefit. Thank you

g committee and the resource person for sharing the knowledge on this recent topic. Hoping for another web

r on NEP.. The talk delivered by Prof. Rajib Handique Sir was very enlightening . Thanking the organizers for

ssed with educational institution across the country.some of the biggest highlights of the NEP 2020 are single

are the recording of the session and also to upload the recording live streaming on YouTube and conduct mc

stem was giving problem so next time it must be taken into grant and there should be power point presentati

rience to be here.. Really informative session and good initiatives taken by all the intellectuals organized the

tion regarding the international educational system... Very informative I should say... Thank you  
informative webinars. Thanks to the organisers and the resource person for this amazing webinar 🙏

perience for me. Thankyou so much for organizing such an incredible session. Looking forward to hearing frc

oiner . Thank u organizer of LCB College. Want to be a part such webinar in the future.

g and wonderful webinar. I offered my heartiest congratulations to the respective resource persons and organi

g a part of such a useful and rich session. Would also like to be a part of discussions on topics related to liter

me .My special thanks and warm gratitude towards the organizers and the resource personality.Thank You s

u organizing Committee for smooth conducting the Webinar. Lot of Thanks organizing Committee for grand ε

webinar also I completely support the NEP 2020. Just got little disturbed with the network issues ...

success. It's a very nice and informative Webinar.
