**Supporting Documents**  
**(Criterion 7.1.1: Safety and security)**

LCB College have always tried to provide a safe environment for its students to learn and grow.

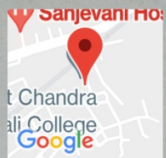

There is a strict round the clock security at the College gate. The security guards check and notes the identities of everyone entering the campus.

The high walls of the campus also prevent any trespassers from entering the college premise.

The safety and security of students is also a priority during the events and celebrations. Apart from police personnel(including woman police) stationed in such occasions, student teacher volunteers look after the security with great caution. There were no untoward incidents during such events.

The college premise is under surveillance 24x7 through CCTV camers. The college campus is well lit including the Girls' Hostel that is in the college premise itself.

A full time warden is appointed by the college for ensuring the safety of the hostel inmates.
